	Fax #		
<p>The condominium/subdivision project review application must include a proposed condominium subdivision plan/plat. If possible, please also include an 11" x 14" (or smaller size) copy for field use.</p> <p>For projects proposing on-site wastewater treatment/disposal, contact the Charlevoix office at the number listed below, to schedule a site visit to evaluate soil suitability. For projects proposing on-site water supplies, information pertaining to water supply suitability must be provided. Project evaluation will not commence until either the site evaluation has been scheduled or sufficient water supply information has been submitted for review. All project reviews will be in accordance with local sanitary code requirements, State of Michigan Administrative Rules for On-Site Water Supply and Sewage Disposal for Land Divisions and Subdivisions, Michigan Criteria for Sub-surface Sewage Disposal, or other applicable rules.</p> <p>Please complete this application and submit, along with payment to:           <span style="float: right;">Northwest Michigan Community Health Agency            220 West Garfield            Charlevoix, MI 49720            231-547-6523</span> </p> <p>Signature of Owner or Agent _____ Date _____</p>
