

Your water results are now available online at www.nwhealth.org and are posted within 48 hours of NMRL receiving your water sample. To access your results:

- Click on the water glass below.
- Enter **nmwaterresults@gmail.com** in the email line
- Enter **WaterResults!** for the password.
- In the search criteria, you can search by:
 - Requisition number (The number in the upper right corner of your yellow form)
 - Address numbers
 - Name
 - County

If you are having trouble accessing your water results, or have any questions please contact:
